God of love may the gifts we give this morning be used to bring healing and compassion to others; but more than these, may the lives we live shine with your love into the darkest corners of our world. BEYOND WORSHIP

How will your experience with God today lead you to live as a faithful disciple?

- 1. Jesus was in Jerusalem for a special religious holiday. But instead of focusing on the festival, he’s interested in being with people who needed healing. How could that choice show the true meaning of our faith?
2. Jesus’ decision to heal this man was a direct breaking of religious rules at that time. “Rules” can be more than policies at school, church, etc... Sometimes “rules” come in the form of peer pressure or expectations our friends may have of us. Are there some social “rules” you sometimes question or push up against?
3. Prayer in Color: Coloring sheets for this week’s message can be found in the breezeway.

PRAYER STARTER

Dear God, thank you for the gift of your love and grace which can make us whole. May we continually seek you to mend our lives, heal our hearts and souls, so that we might be conduits for your love and healing for others. Help me to...
